

CROSSWAY NEWS

Making God's Love Known

Easter is such a special time of year as we are reminded of our reason for hope and the purpose of our faith. As this celebration is in the rearview mirror, I hope that the weight and joy of Jesus' death and resurrection sits with you through this new month. The apostle Peter was one who walked with Jesus, learned many lessons and after Jesus ascended into heaven, kept the end in mind. He was looking forward to being with Jesus again one day and so he boldly went out to tell the world the good news!

Peter had the end in mind when he wrote a letter to a group of Christians in Northern Asia Minor to encourage them in suffering, how to live as God's family and as resident foreigners. These will be the topics we dive into on Sunday mornings in April as we study 1 Peter. Feel free to get ahead of the program and start reading already!
