

# CROSSWAY NEWS

*Making God's Love Known*

He has done it! Jesus came to create a way for humanity to be forgiven of their sins, to have a restored relationship with their creator and to have eternal life with God. Wow! He also showed us what real living is really like by his example and teaching. He completed the entire project too. Jesus did not fade or wane as he neared the end of his assignment. He gave it his full effort right until the end. Let me be clear that His death on the cross was not the end. No, the climax was reached when Jesus rose from death and defeated this foe for all of us. He has done it!

This is a special time of year as we deliberately focus on the death and resurrection of Jesus. The emotion and excitement builds for me more as the years accumulate. I am truly amazed at a God that became one of us to show us true life and then gave his life as a sacrifice for us. This story has an exciting ending as we gravely consider the weight of Jesus' sacrifice, but celebrate all the more his victory over death through His resurrection. Come join us for a shadow drama and communion on Good Friday as a way to reflect on the sacrifice of our king. And, come again on Easter to celebrate together the resurrection and victory of our king. He has done it!
