## GOING DEEPER AT HOME

### WEEK 4: BEYOND SURVIVING

It's one thing to know how everything turns out and to decide for the side of good and the side of God, but it's another thing to survive until then. In the meantime, suffering remains – cancer, addictions, broken relationships, conflict, tragedy. In this final week of the series, we'll share a critical key to help us do more than just survive until Jesus returns, a step that will move us beyond surviving to the point of thriving.

#### SCRIPTURE:

Matthew 7:13, 14; 24 - 29

#### GOING DEEPER QUESTIONS:

1. How prepared are you for an emergency? Do you have the resources to survive a few days without electricity, heat or water?
2. What is something from the message that stood out to you, was new to you or challenged you?
3. In Matthew 7:13 - 14, 24 - 29, Jesus gives a teaching that in many ways describes how He wants His followers to live their lives before they die or before the world ends. What do you think Jesus is driving at?
4. Read James 1:23, 24. Have you ever forgotten what you look like? Describe a time you did not put into practice something Jesus had taught you.
5. Browse through Matthew 5 - 7. What are some of Jesus' teachings that you could access more of in this life? What difference would acting on the reality of God's presence with you make in your life?
6. What is something that the Holy Spirit is inviting you to do this week in response to this message?
7. Join us in the February daily reading of the Sermon on the Mount.
