GOING DEEPER AT HOME

WEEK I: WE CAN MAKE IT BETTER

Many of us hold to the idea that the future will be better and that somehow we can do a better job of it than anyone else, including God. It's why our ancestors immigrated to Canada, it's why some of us went to college, it's why some of us choose to do things differently than our parents. But really can we do a better job? Do we? As we look at 2 stories from Genesis we realize how our attempts to do better push God out of our life and ends up to us not having a better life.

SCRIPTURE:

Genesis 3:1 - 7, Genesis 11:1 - 9

GOING DEEPER QUESTIONS:

1. Do you set New Year's resolutions, or do you avoid them? Whatever your answer, why do you do what you do? If you make them, how good are you at keeping them? If you break them, what leads to this?
2. What is something from the message that stood out to you, was new to you or challenged you?
3. Read Genesis 3: 1 - 7. How have you seen the effect of the knowledge of good and evil at work in your life?
4. What area in your life do you struggle letting God have full control of (finances, relationships, free time)?
5. What keeps you holding on to the belief that God is holding back good things from you and that you can do a better job than He can?
6. What is something that the Holy Spirit is inviting you to do this week in response to this message?
